

Document for patients being tested for coronavirus (COVID-19)

- **If your test result is positive, you will be contacted by the Service du médecin cantonal**
- While waiting for your test result, please list the names and contact information of your close contacts, defined as:
 - people living in the same household
 - people you have been with for more than 15 minutes, within 2 meters, starting 48h before the onset of your symptoms and until this day
- **These people will be contacted by the Service du médecin cantonal only if you are tested positive and after confirmation with you over the phone.** They could be infected.
- The list can be established online by scanning the **QR code** or accessing the following link (available in multiple languages):

- Link: <https://edc.hcuge.ch/surveys/>
- Access code: TYH3X8N98

- You can also right the list down and communicate it directly with the Service du médecin cantonal over the phone.
- Pending your result, please apply the isolation measures according to the recommandations of the Office Fédérale de la Santé Publique (OFSP).
